

# **2022 SPONSORSHIP PROPOSAL BOOKLET**

# BACKGROUND AND SPONSORSHIP SUMMARY

For over 10 years, the Run for D103 5K Run/Walk's primary focus has been to support our districts' desire to provide our children with educational programs, equipment, and playgrounds by funding special projects at each school. The race is representative of our District's commitment to foster both healthy minds and healthy bodies in our children and instill a lifelong passion for recreation, exercise, and education.

**This year, all proceeds raised from the event will go toward expanding the existing "face out" book shelving at the Laura B. Sprague Elementary School library.**

Since our first race, we have had success with registrations increasing over 33% in just the first 3 years. In 2019 (there were no physical races in 2020 or 2021 due to the COVID-19 pandemic) we had over 600 paid participants with over 800 attendants and spectators at the race.

District 103 is a growing school district with over 1200 families and we will again be marketing the event as a "whole family" run/walk event to maximize participation. Our focus continues to promote the healthy minds and bodies of our children within our three schools.
